## Understanding your activity statement

**Activity statement balance** shows the value on your Opal card at the time and date of the most recent transaction printed on this activity statement. Any subsequent transaction may take up to 48 hours to be included.

**GST** is not included in the value of top ups on your Opal card. GST may, where applicable, be included in all other charges incurred or value adjustments made to your Opal card and is included in the fare charged for all journeys accessed on your Opal card.

**Date and time** columns refer to the tap on for a journey, or the date and time of an activity resulting in the Opal card balance changing. For top ups or other types of card adjustments, for example, a dishonour fee, the statement shows the time of that top up or adjustment.

**Journey number** is used to calculate the Weekly Travel Reward. Journeys are counted over a 7 day period, from Monday to Sunday and on Monday morning at 04:00 the journey number returns to zero. A journey can be a combination of trips, all completed within the standard transfer time of 60 minutes between trips. If you tap on for a trip more than 60 minutes after the previous tap off, this will count as a new journey. Any journeys taken after the Daily Travel Cap has been reached do not count towards the Weekly Travel Reward.

**Off-peak** discounts apply to travel on trains, buses and light rail only, other than travel starting between:

- 06:30–10:00 and 15:00–19:00 weekdays for trains from Sydney Trains stations and Buses and Light rail; or
- 06:00–10:00\* and 15:00–19:00 weekdays for trains from NSW TrainLink stations.

### Mode

\* At some NSW TrainLink stations, the off-peak discount will apply from times earlier than 8:00am.

Refer to <https://transportnsw.info/tickets-opal/regional-tickets-fares> for details of these times.

**Default fare** is charged because you either didn't tap on or tap off, and the distance you travelled could not be calculated. To avoid paying a default fare, always remember to tap on and tap off. Default fares do not count towards the Weekly Travel Reward.

**Daily Travel Cap** indicates that you have reached the maximum amount chargeable for journeys in a 24-hour period (defined as 04:00 and 03:59 the next day). Once you have reached the Daily Travel Cap, all further travel made on the same day is not charged.

**OpalPay** allows you to pay for fares on privately operated transport services with your Opal card. OpalPay fares are set by private operators and are not the same as Opal card fares on the public transport network. Opal travel benefits, including Weekly Travel Rewards, Daily Travel Caps, Weekly Travel Caps, Transfer Discounts and Trip Advantage do not apply when using OpalPay.
